- 195 Battling Burnout at the Frontlines of Health Care Amid COVID-19  
*Beverly Ann M. Howell*

Due to incomplete understanding of COVID-19 at this time, some of the recommended practices in these articles may not be applicable to this population unless specifically stated. For free-access articles related to caring for patients with COVID-19, go to [aacnjournals.org/aacnacconline/pages/coronavirus](https://aacnjournals.org/aacnacconline/pages/coronavirus). In addition, content specifically addressing the care of patients with COVID-19 was written with information available at the time of writing. Evidence regarding COVID-19 continues to evolve rapidly. Readers are therefore encouraged to consider the information in context with the latest COVID-19 information available.
